## Summary

Business Administration graduate with strong skills in Excel, SQL, and Power BI, developed through independent learning and hands-on projects. Experienced in data management, process optimization, and client coordination through marketing internships and freelance work, including e-commerce optimization and performance tracking. Customer-focused, organized, and analytical, with a strong eagerness to contribute problem-solving and technical skills in an entry-level role.

## Project

### E-Commerce Marketing Analytics Dashboard | [Link](#)

#### Data Analytics Project

- Analyzed key marketing KPIs, including customer engagement, conversion rate, and customer ratings, to identify performance gaps and business issues.
- Used SQL / MS SQL Server to extract and query marketing and customer data for analysis and reporting.
- Built an interactive Power BI dashboard to visualize trends, track product performance, and support marketing decision-making.

### Executive Sales Dashboard | [Link](#)

#### Data Analytics Project

- Built an interactive Power BI dashboard analyzing multi-year sales performance, customer segmentation, and product trends to identify top customers and track key business KPIs.
- Used online datasets, cleaned and organized data using SQL, and prepared tables for reporting and analysis.

### Mobile Gamer Hub | [Link](#)

#### Data Analysis Project

- Built a website using SEO strategies, tracked CPM and revenue, and adjusted marketing strategies based on performance data.
- Applied web development skills and platform management (GitHub Pages, DNS) to deploy a stable website environment and implement Google Analytics for tracking and data collection.

## Experience

### Bellahbeatrix Cosmetics Product Trading

Marketing Intern

General Trias, Cavite  
Feb 2025 – June 2025

- Provided reliable customer support by handling order processing, tracking shipments, and organizing receipts and records using Microsoft Excel, ensuring client satisfaction and smooth operations.
- Led the development of branding strategies and digital content for more than 15 clients, ensuring alignment with current market trends. Produced over 20+ videos and graphics optimized with keywords to improve search engine visibility and online presence.
- Managed Facebook Ad campaigns that increased post engagement by 60% and successfully drove higher traffic to client pages, demonstrating strong skills in paid advertising.

E-Commerce Graphic Designer

September 2022 – December 2022

- I developed design strategies based on international trend research and keyword research (using Google Keyword Planner, and Microsoft Excel) to ensure maximum alignment with e-commerce customer traits and behaviors.
- Created 159+ unique, market-ready T-shirt and hoodie designs optimized for Redbubble's platform to maximize visibility and sales potential.
- Utilized digital design tools to produce visually appealing, print-ready graphics tailored to niche audiences and seasonal trends.
